Log-in Page

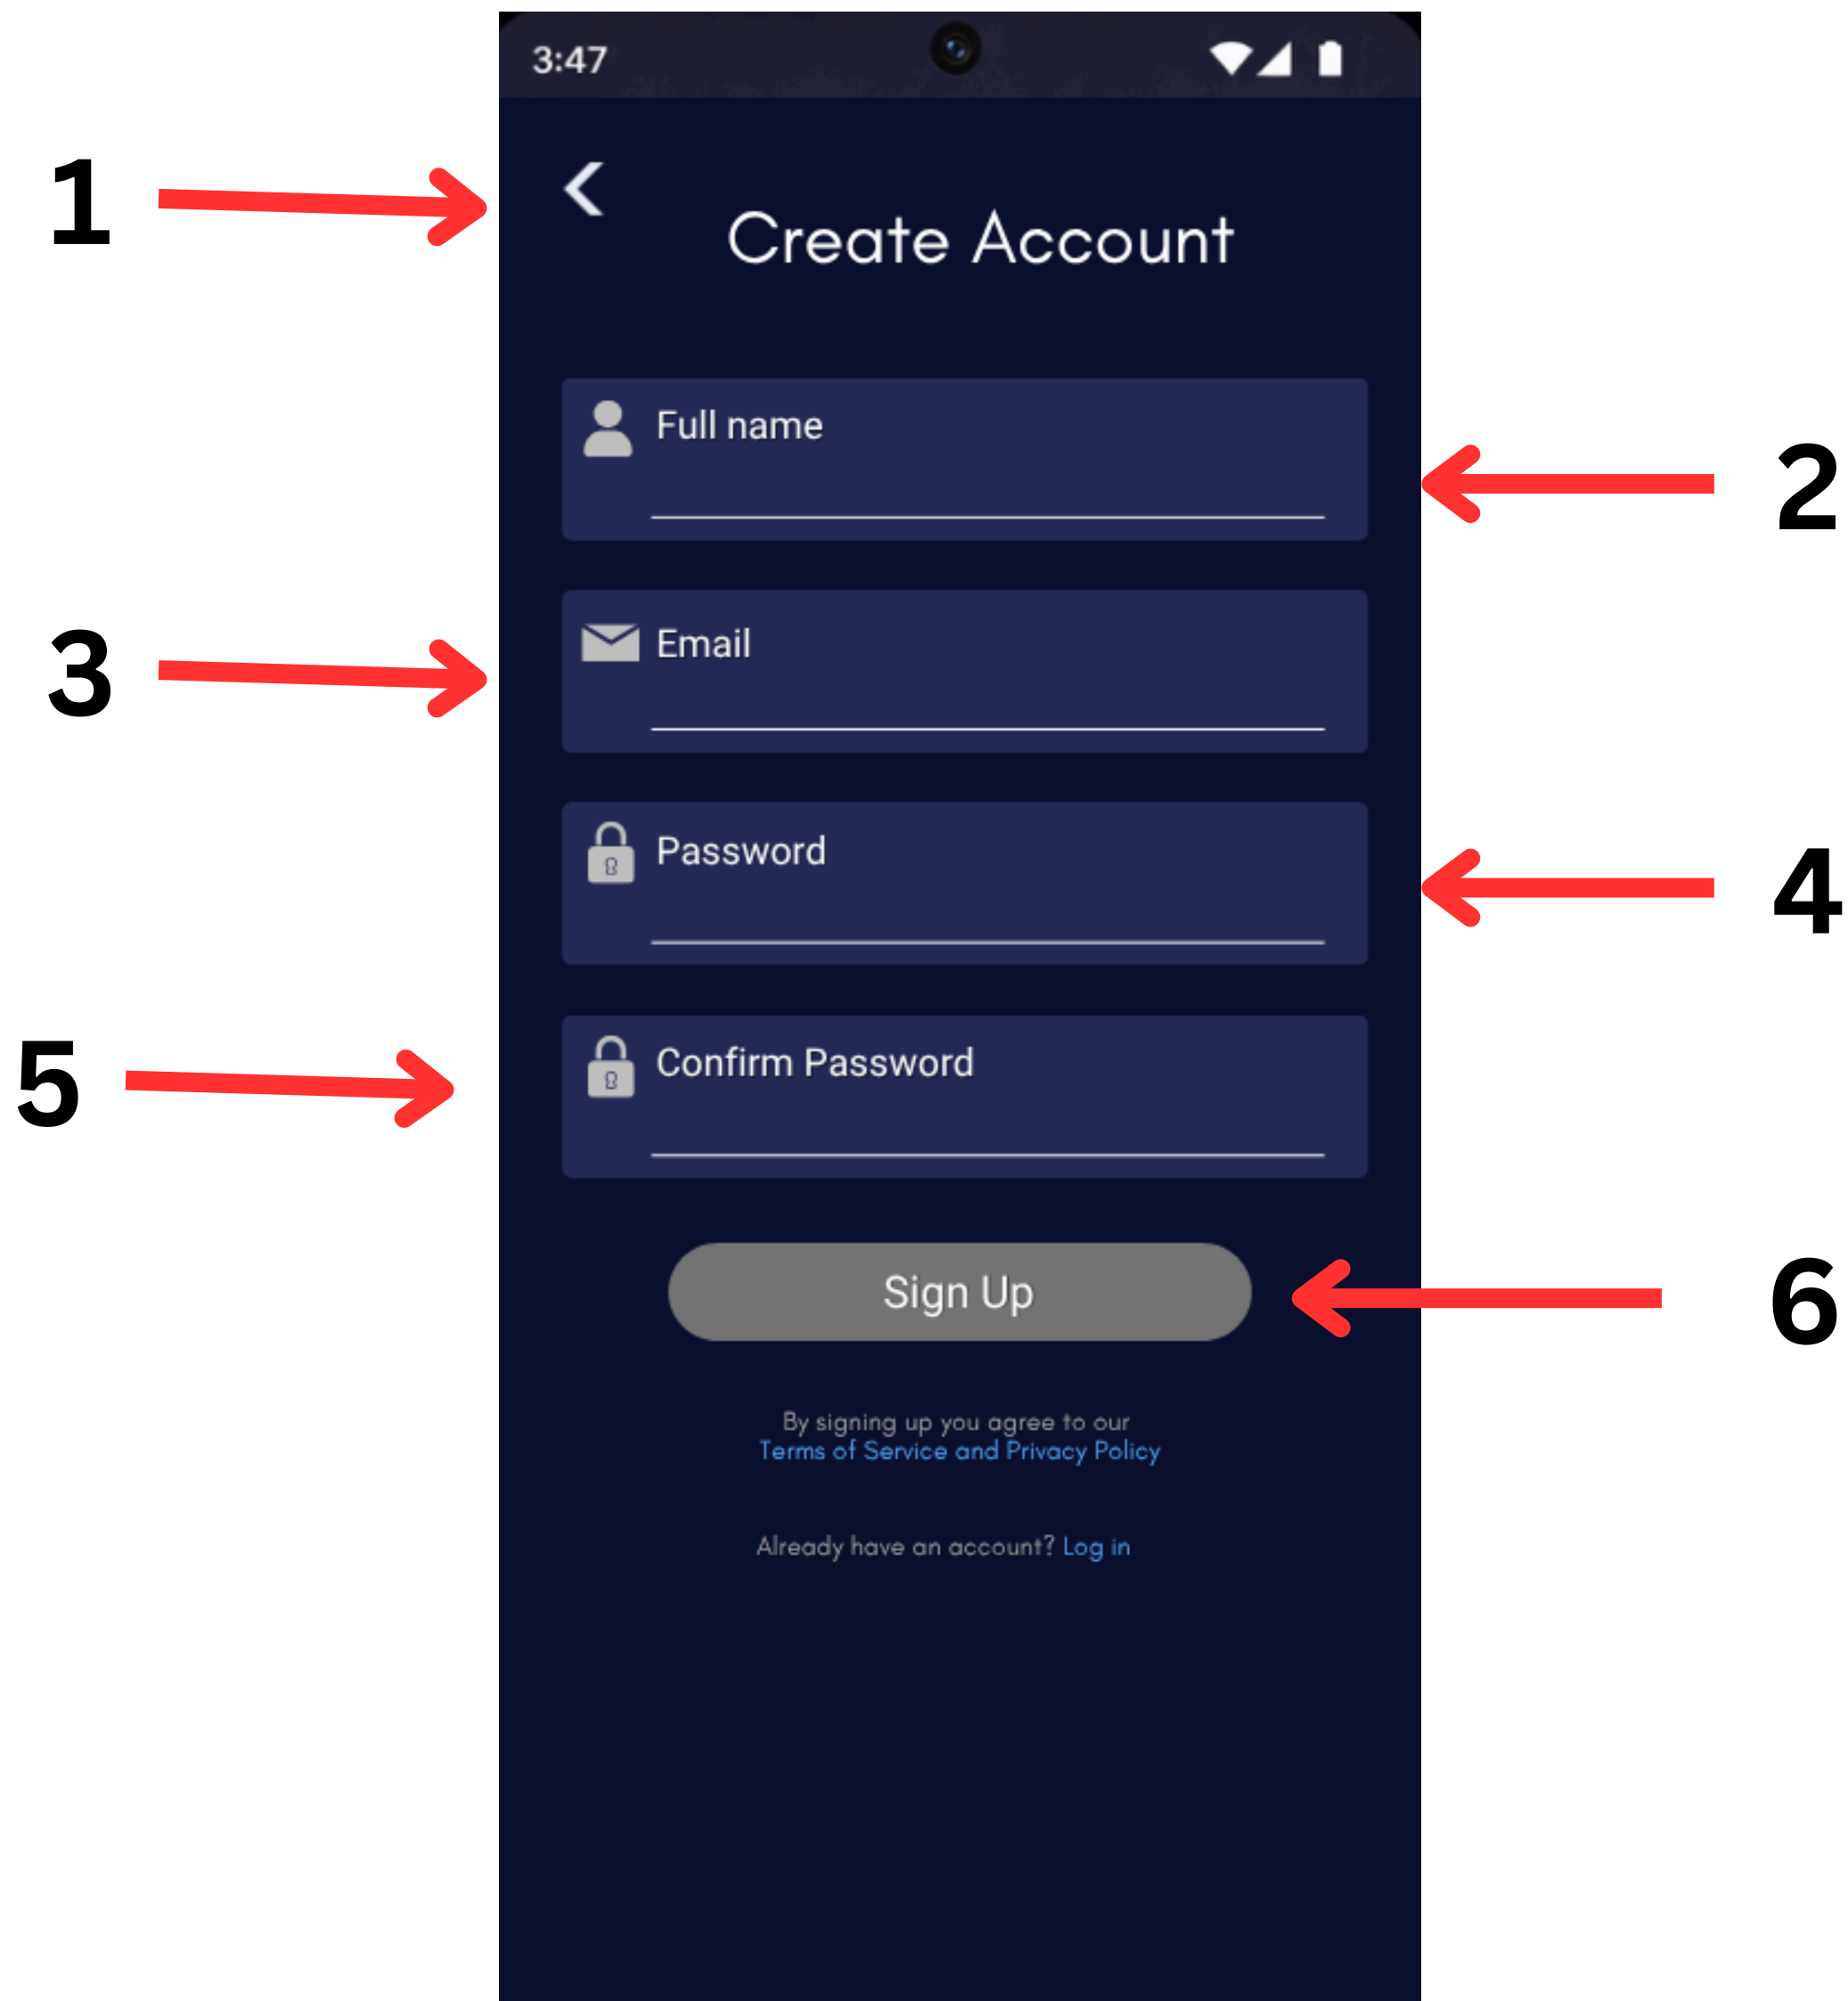

1. **Username** - This is where the user must input their username to log in.
2. **Password** - User's password input
3. **Login** - Button for users to confirm their username and password.
4. **Google Sign-in** - For users to link their Google account to sign in to Campus Safe.
5. **Create Account** - For users to create an account if they have no account yet.

Biometrics Page

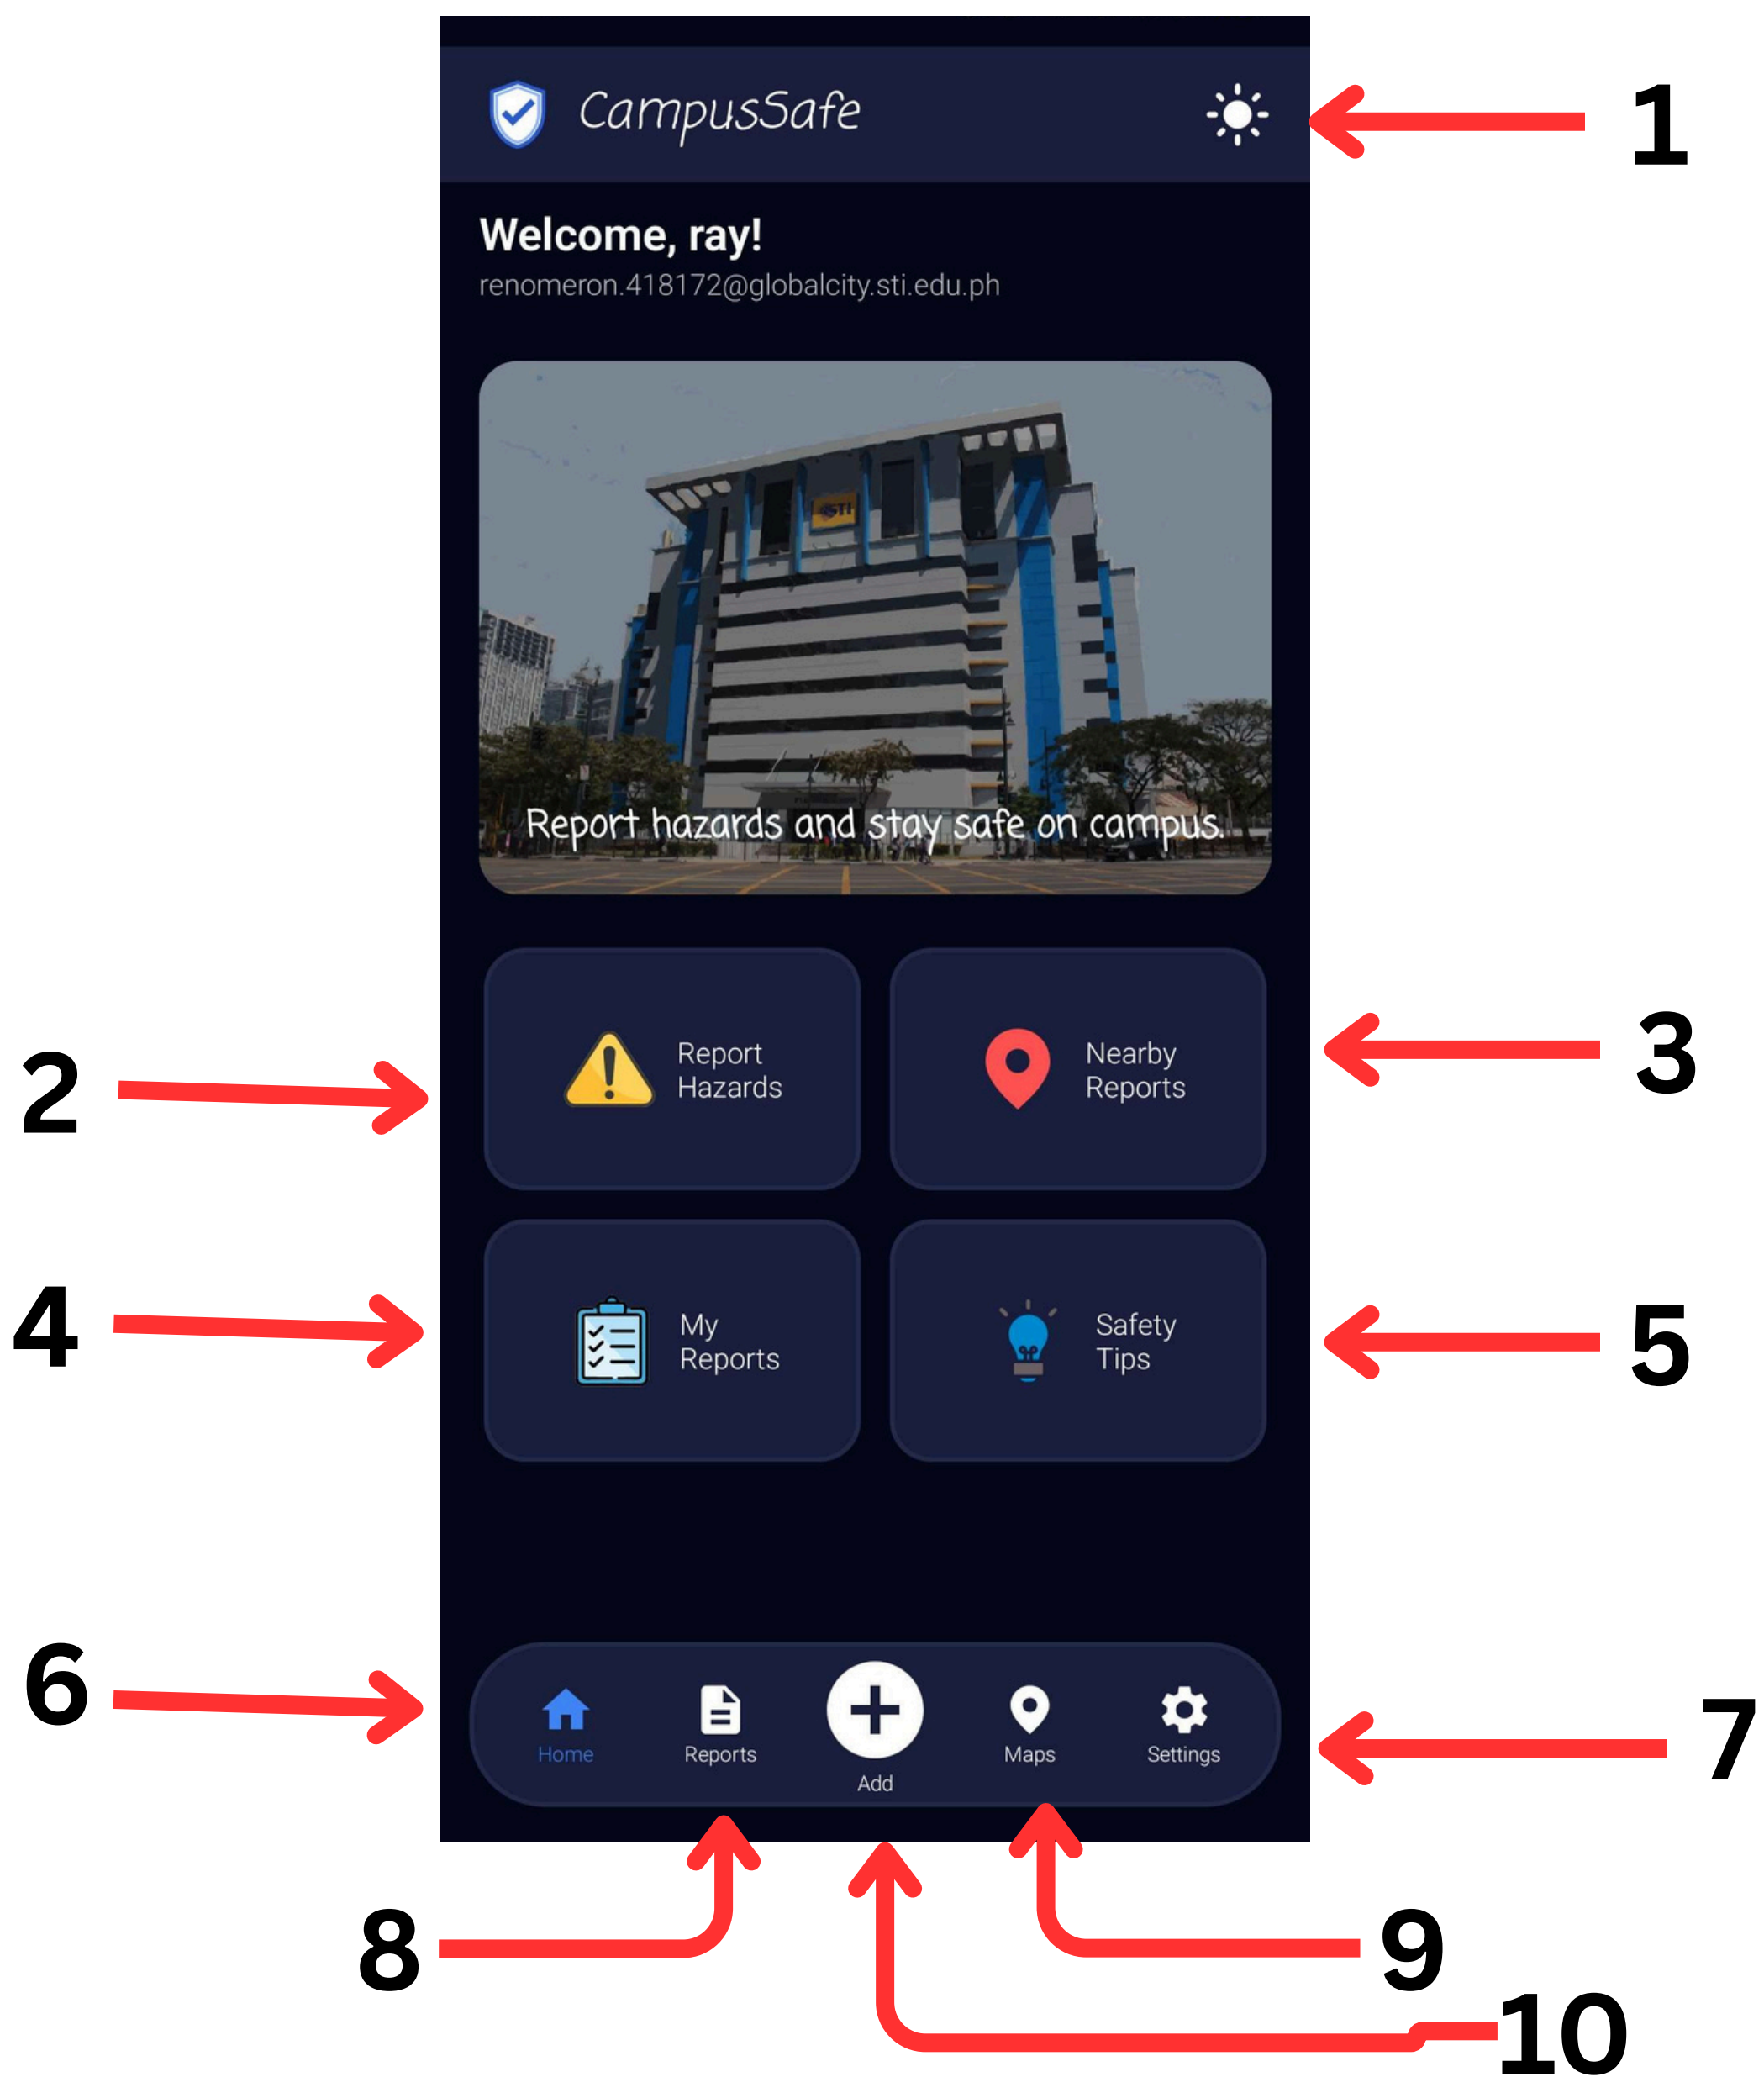

1. **Use Fingerprints** - Users' way to log in using their fingerprint.
2. **User Log-in** - Goes back to the login page to access your Campus Safe Account.

Create Account Page

1. **Back arrow** - Back out of the Account creation.
2. **Full name** - Input the user's full name.
3. **Email** - Input the user's email.
4. **Password** - Input the user's password.
5. **Confirm Password** - Inputting the user's password to make sure the password is the same as the first one.
6. **Sign up** - To submit the user's data to create the account for Campus Safe.

Homepage

1. **Sun Icon** - Toggles the light and dark mode.

2. **Report hazard** - to file a report of any dangerous problems.

3. **Nearby Reports** - Shows nearby users' reports.

4. **My Reports** - Shows the user's report history.

5. **Safety Tips** - Advice for users to follow just in case of an emergency.

6. **Home** - Back to homepage.

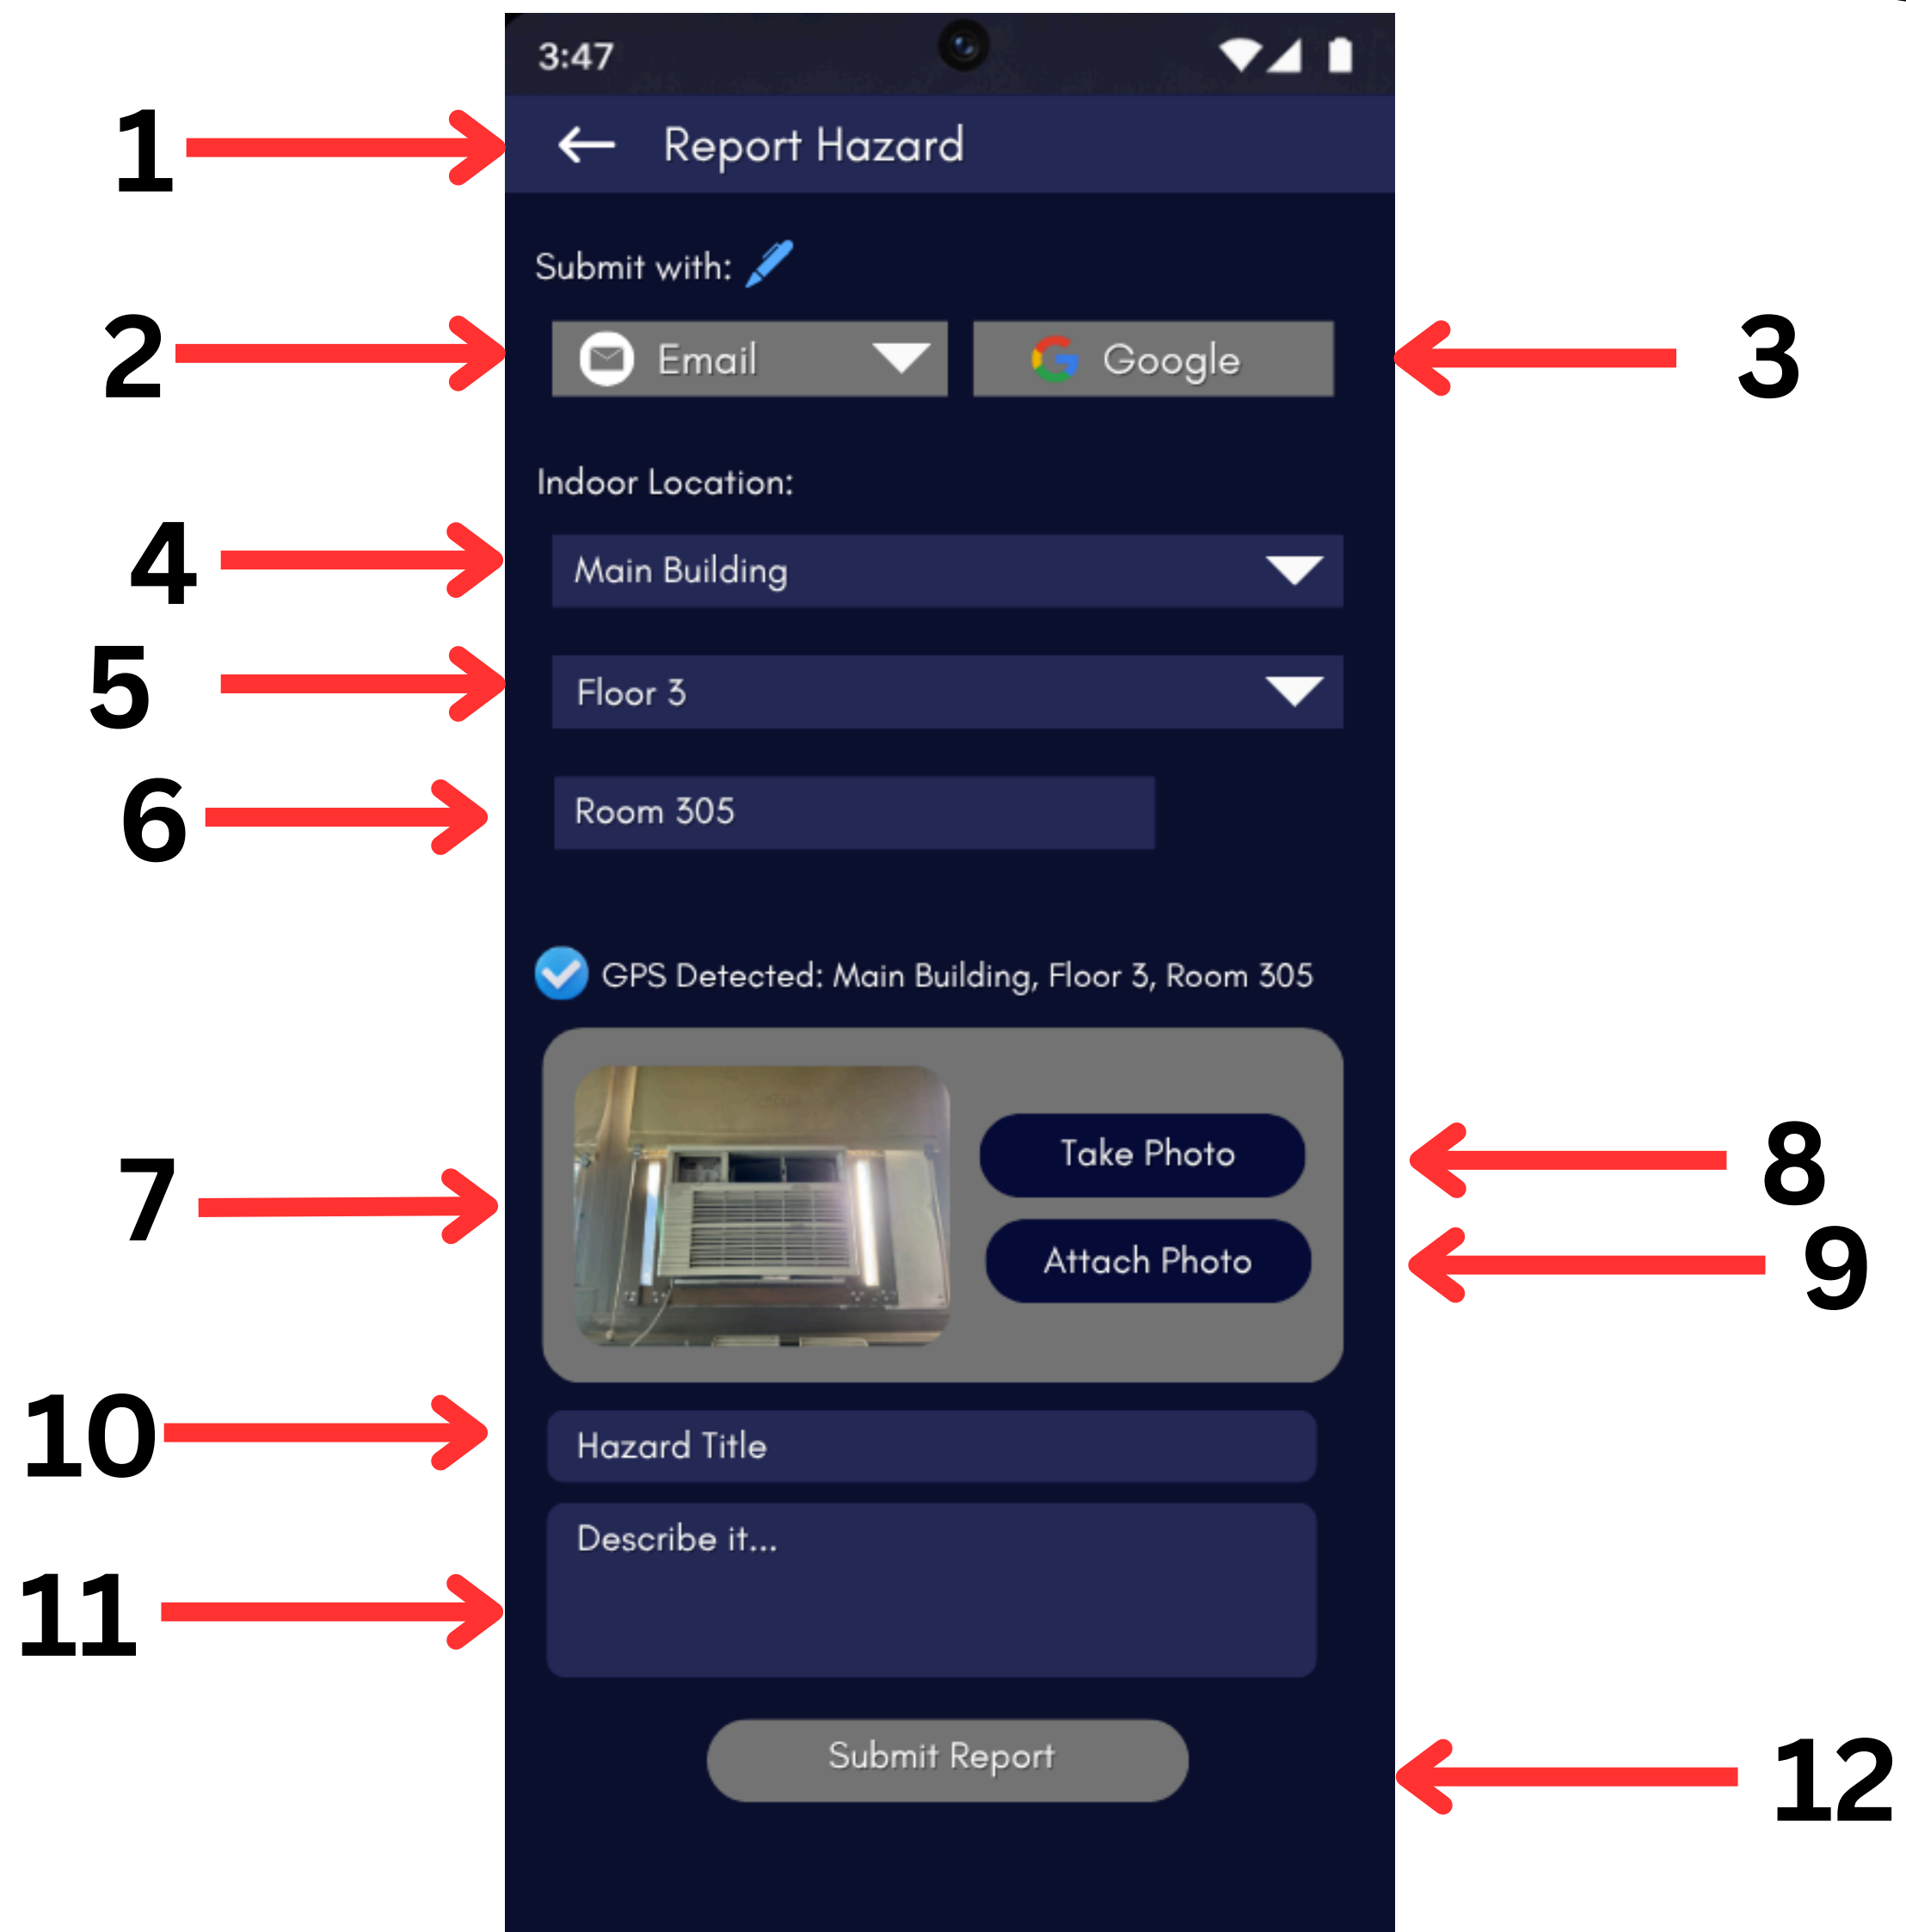

7. **Settings** - Brings the user to the app's settings.

8. **Reports** - Brings the user to the reports page.

9. **Maps** - Brings the user to the maps page.

10. **Add** - Adds a new report.

Report Hazard Page

1. **Back arrow** - Back out of the Report Hazard.

2. **Email** - Use the email to submit the hazard report.

3. **Google** - Using Google to submit a hazard report.

4. **Location** - Building location where the hazard is occurring.

5. **Floor** - Floor locations where the hazard is occurring.

6. **Room** - Room location where the hazard is occurring.

7. **Photo** - Photo of the hazard shown.

8. **Take a photo** - Take a photo of the hazard at the very moment.

9. **Attach Photo** - Attach a photo from the device gallery.

10. **Hazard Title** - Input the problem called.

11. **Describe it** - Offer a detailed description of the hazard.

12. **Submit report** - Submit the report after input the details.

Nearby Reports Page

1. **Floor 1** - Shows floor 1 reports.

2. **Floor 2** - Shows floor 2 reports.

3. **Back arrow** - Back out of the Nearby Reports Page.

4. **All Floor** - Shows all reports in all floors.

5. **Map view** - Shows the view of the map.

6. **Reports** - All reports shown.

7. **View** - Shows the report details selected.

8. **Delete** - Deletes the report selected.

9. **Edit** - Edits the Report details selected.

10. **Home** - Back to homepage.

11. **Settings** - Brings the user to the app's settings.

12. **Reports** - Brings the user to the reports page.

13. **Maps** - Brings the user to the maps page.

14. **Add** - Adds a new report

My Reports Page

1. **Back arrow** - Back out of the My Reports Page.

2. **My Reports** - Shows the Users' Reports.

3. **History** - Shows the history of reports made.

4. **Photo** - Photo of the hazard shown.

5. **Check Icon**- Confirms the report.

6. **Cross Icon**- Edits the report details.

7. **Delete Icon** - Deletes the report.

8. **Home** - Back to homepage.

9. **Settings** - Brings the user to the app's settings.

10. **Reports** - Brings the user to the reports page.

11. **Maps** - Brings the user to the maps page.

12. **Add** - Adds a new report.

Safety Tips Page

1. **Back arrow** - Back out of the My Tips Page.

Biometrics Page

1. **Use Fingerprints** - Users' way to log in using their fingerprint.
2. **User Log-in** - Goes back to the login page to access your Campus Safe Account.

Create Account Page

The image shows a mobile application interface for creating a new account. The page has a white background with a dark blue header bar at the top. The header bar contains the time '3:47' on the left and status icons (signal, Wi-Fi, battery) on the right. Below the header, the title 'Create Account' is displayed in a light blue font, preceded by a blue back arrow icon. There are four input fields, each with a grey background and a light blue border. The first field is labeled 'Full name' with a person icon. The second field is labeled 'Email' with an envelope icon. The third field is labeled 'Password' with a lock icon. The fourth field is labeled 'Confirm Password' with a lock icon. Below the input fields is a blue rounded rectangular button labeled 'Sign Up'. At the bottom of the page, there is a line of text: 'By signing up you agree to our [Terms of Service and Privacy Policy](#)'. Below that, there is another line of text: 'Already have an account? [Log in](#)'. Six red arrows with black numbers point to specific elements: 1 points to the back arrow, 2 points to the 'Full name' input field, 3 points to the 'Email' input field, 4 points to the 'Password' input field, 5 points to the 'Confirm Password' input field, and 6 points to the 'Sign Up' button.

Report Hazard Page

The screenshot shows a mobile app interface for reporting a hazard. The title bar at the top says 'Report Hazard' with a back arrow on the left. Below the title bar, there's a 'Submit with:' section with two buttons: 'Email' and 'Google'. Underneath, there's an 'Indoor Location:' section with three dropdown menus: 'Main Building', 'Floor 3', and 'Room 305'. Below these, there's a status bar that says 'GPS Detected: Main Building, Floor 3, Room 305'. The next section is a photo upload area with a photo of a hazard and two buttons: 'Take Photo' and 'Attach Photo'. Below the photo area, there's a 'Hazard Title' input field and a 'Describe it...' text area. At the bottom, there's a 'Submit Report' button. Red arrows point from numbers 1 through 12 to specific elements on the screen.
